

**SEE-N-READ™ READING TOOLS**

# **MEMORY MARK™ SERIES**

**New!**

All of the benefits of the

**SEE-N-READ™ READING TOOL**

**PLUS...** window is cut out to enable readers to *write notes*, underline and **highlight** key points while keeping their place on the page.

- Helps readers focus on the line being read
- Reduces word and line-skipping and pattern glare
- Assists smooth 'left to right, top to bottom' tracking
- Helps readers use mental energy on content rather than on keeping their place on the page

*Great for all levels*
